Dear Sir,

We thank you for yours G.3387 dated the 14th instant and note the number of the different class of Distinguished War Service Medals that are required in addition to those that we are now making, and which we will no put in hand at once. We also see from your letter under reply that the medals are to be supplied with ribbon collarettes, and to work these will ktake us about six weeks time. Our difficulty in getting these War Servic Medals finished soon if you should like to is due to us not being able to procure the gems small enough, but we are making every endeavour to do so, and if successful will probably finish them in a shorter period than alread mentioned.

The Chief Secretary,

to the Government of His Highness the Maharaja of Mysore,

M y s o r e .

Dear Sir,

We are in receipt of your wire of the 11th instant re. 2 War - Service Second Class Medals. We cannot sufficiently express our regret at our inability to comply with your request for our reasons already mentioned, and which we hear repeat, i.e., we have not been able to procure the small gems for these particular Jewels. On the receipt of your order placed some months ago, we at once made enquiries, and have been doing this ever since to get the small gems we want: but up-to-date, inspite of repeated promises from merchants, they have not complied with our request, and naturally we have not been able to complete the work. Had it not been for this the whole of your order would have been expedited long ago. If we had the gems by us we could very easily have given you all this class of Jewels, and could have sent the out with the others on Tuesday: but unfortunately were held up for reasons already stipulated.

Again apologizing for any trouble and inconvenience we may have put you to,

We are, Dear Sir,
Yours faithfully,

Dear Sir,

We write to inform you that we have forwarded through the Registrar of your Department 12 large and 12 small Public Service Medals; and at the same time mentioned that we were sending 10 War Service Medals (six Third Class and 4 Fourth Class) together with six small size Public Service Medals on Tuesday the 15th idem.

Re. the 4 Second Class War Service, we regret not being able to send any of these, as we have not been able to get the very small gems, viz., rubies, emeralds and diamonds required for these Jewels. We have written all over India for ~~these~~ them, and have met with no success up-to-date, in spite of several promises from different merchants.

We are extremely sorry that we have not been able to complete the whole order before, but there has been innumerable obstacles coming in the way to prevent us from fulfilling our promises.

Dear Sir,

In continuation of our letter of the 14th October, we are sending by our Clerk, Nageswarier, a sealed parcel, containing 7 Distinguished Service Medals of the Third Class and 3 of the Fourth Class, having fitted all of them with silver-gilt plaeques, as arranged. We trust they will be found entirely satisfactory.

We are sorry to state that we have not been able to get the Collarettes out to-day, as all our Masonic Tailors, who do this class of work, have been absent for some days. We have therefore, as a temporary measure, fitted them with ribbons and safety pins, so that they may be pinned on to the breast, when the presentations are being made. The Collarettes, we will send in the course of a few days, as we sincerely trust our Tailors will be soon back at work. A large number of our work-people are down with Influenza, and it has made it extremely hard to get these Medals through in time to despatch to-night. Will you very kindly acknowledge safe receipt of the parcel?

Yours faithfully,
